Cancellation of Continuous Payment Authority

Dear Sir / Madam

My payday loan with <lender name> is being paid using a continuous payment authority.

I'm withdrawing my authorisation for any more payments to be taken from my account for this debt.

The last 4 digits of the card these payments are being taken from are <1234>.

In line with the payment services regulations which are run by the Financial Services Authority, any more payments taken from the card will be an unauthorised transaction.

Please send me confirmation you have done this.

Yours faithfully
